Plugs

Advantages to plugs:

- Wider range of a harvesting window. Weather is not a limiting factor to our harvest.
- Research shows plugs have a:
 - Higher survival rate
 - Establish quicker
 - Stronger resistance to soil or transplant shock
 - Easier transition into dormancy when planting in the fall.
- Plugs have a soil mass with nutrients available to the roots.
- Easier to plant
- Consistent product size from year to year

Need Contract Grown Plugs?

We would be happy to talk about contract growing plugs for you.

- The minimum is 15,000 plugs per contract
- Discount of 15% off the 1000 price listed
- A 50% deposit is due to secure the contract- remaining balance is due prior to packing.
- October 1st ordering deadline

Plug Sizing Chart

| Styro Block | Cell Diameter | Cell Volume | Cell Depth |
|-------------|---------------|-------------------|------------|
| 4s | 1.2 Inches | 3.3 Cubic Inches | 4 Inches |
| 6s | 1.4 Inches | 4.9 Cubic Inches | 4 Inches |
| 8 | 1.5 Inches | 7.9 Cubic Inches | 6 Inches |
| 10 | 1.7 Inches | 10 Cubic Inches | 6 Inches |
| 15 | 2.00 Inches | 15.3 Cubic Inches | 6 Inches |

Bareroot Sizing Chart

| Size | Year in Field | Years Replanted | Root Length |
|------|---------------|-----------------|-------------|
| 1-0 | 1 | 0 | 4-6" |
| 2-0 | 2 | 0 | 6-10" |
| 3-0 | 3 | 0 | 6-10" |
| 2-1 | 2 | 1 | 8-12" |
| 3-1 | 3 | 1 | 8-12" |

Crate Grown Products

Crate refers to plants grown in plastic bulb crates with potting mix inside of the greenhouse. These plants are harvested bareroot. The advantages of this method are:

- Stronger, more fibrous root system
- Wider range of a harvest window. Weather is not a limiting factor to our harvest
- More consistent product size from year to year
- Sensitive species respond better to this method than field grown stock

| Species – Common Name | Age | Size | 100 (Retail) | 200-800 | 1000+ |
|-----------------------|-----|------|--------------|---------|-------|
|-----------------------|-----|------|--------------|---------|-------|

Abies amabilis – Pacific Silver Fir

Commonly known as the Pacific silver fir, native to the Pacific Northwest growing in coastal and cascade ranges. Spire like needles with downward curving branches. Great for bough product or as an ornamental plant in landscaping.

| | | | | | |
|---|-------|------|--------|--------|--------|
| Pacific Silver Fir - 403 Snohomish Co, WA | (3-0) | 4-8" | \$1.64 | \$0.89 | \$0.82 |
|---|-------|------|--------|--------|--------|

Abies balsamea – Balsam Fir

Native to the Northeast Coast of the United States and Canada. Suitable for Christmas trees. Excellent understock for Abies varieties.

| | | | | | |
|--------------------------------------|-------|------|--------|--------|--------|
| Balsam Fir - New Hampshire Blue S.O. | (3-0) | 4-8" | \$1.64 | \$0.89 | \$0.82 |
|--------------------------------------|-------|------|--------|--------|--------|

| | | | | | |

| Turkish Fir- Kongsore Seed Orch. | (2 yr. Plug) | 4-8" Styro 15 | | \$0.96 | \$0.92 |
|----------------------------------|--------------|---------------|--|--------|--------|

Abies concolor – White Fir

Suitable for Christmas trees. Good blue to blue-green color. Very symmetrical.

| | | | | | |
|--------------------|-------|-------|--------|--------|--------|
| White Fir - Apache | (2-0) | 5-10" | \$1.32 | \$0.71 | \$0.66 |
|--------------------|-------|-------|--------|--------|--------|

| | | | | | |
|--------------------|--------|---------|--|--------|--------|
| White Fir - Apache | (Plug) | Styro 8 | | \$0.65 | \$0.60 |
|--------------------|--------|---------|--|--------|--------|

Abies firma – Momi Fir

Heat tolerant understock which allows those in the Southeast to grow Abies species. Able to withstand Southern heat, heavy soils with poor drainage. Resistant to phytophthora root rot. Tends to break bud in early spring and is subject to late frost damage. Not a cold hardy under stock.

| | | | | | |
|----------|-------|------|--------|--------|--------|
| Momi Fir | (2-0) | 2-4" | \$1.96 | \$1.06 | \$1.01 |
|----------|-------|------|--------|--------|--------|

| | | | | | |
|----------|--------|----------|--|--------|--------|
| Momi Fir | (Plug) | Styro 4s | | \$0.74 | \$0.70 |
|----------|--------|----------|--|--------|--------|

Abies fraseri – Fraser Fir

Native to Southern Appalachians. Seed from the Roan Mountains in North Carolina at elevations around 6,000'. Suitable for Christmas trees. Deep green with silvery white on the under-side of the needles. Symmetrical.

| | | | | | |
|----------------------------|-------|-------|--------|--------|--------|
| Fraser Fir - Roan Mountain | (3-0) | 6-12" | \$1.44 | \$0.78 | \$0.72 |
|----------------------------|-------|-------|--------|--------|--------|

| Species – Common Name | Age | Size | 100 (Retail) | 200-800 | 1000+ |
|-----------------------|-----|------|--------------|---------|-------|
|-----------------------|-----|------|--------------|---------|-------|

Abies grandis – Grand Fir

From Clearwater River Drainage region of Idaho. Excellent for Christmas trees. Good green, symmetrical tree with flat needles.

| | | | | | |
|------------------------|--------|----------|--------|--------|--------|
| Grand Fir - Clearwater | (2-0) | 5-12" | \$1.36 | \$0.73 | \$0.68 |
| Grand Fir - Clearwater | (Plug) | Styro 10 | | \$0.71 | \$0.66 |

Abies koreana – Korean Fir

Native to the higher mountains of South Korea. A very popular plant for ornamental gardens. Glossy dark green needles. Suitable for Christmas Trees. Heat tolerant.

| | | | | | |
|------------|-------|------|--------|--------|--------|
| Korean Fir | (3-0) | 4-8" | \$1.64 | \$0.89 | \$0.82 |
|------------|-------|------|--------|--------|--------|

Abies koreana x balsamea – Korean x Balsam Fir Hybrid

The Korean Balsam Fir hybrid (Abies koreana x balsamea) is a cross between the Korean Fir (Abies koreana) and the Balsam Fir (Abies balsamea). Displaying the best characteristics of both species. Typically smaller than the balsam fir, but larger than the Korean fir. An improvement for those who have been growing Korean Fir.

| | | | | | |
|----------------------------|-------|-------|--------|--------|--------|
| Korean x Balsam Fir Hybrid | (3-0) | 5-12" | \$1.86 | \$1.00 | \$0.93 |
|----------------------------|-------|-------|--------|--------|--------|

Abies lasiocarpa var. arizonica – Corkbark Fir

Narrow crown with dense short branches that droop downward. Gray greenish to light bluish green needles. Hardy high elevation conifer. Suitable for Christmas trees or landscape ornamental. Native to the Rock Mountains.

| | | | | | |
|-----------------------|--------|---------|--------|--------|--------|
| Corkbark Fir - Apache | (3-0) | 3-6" | \$1.64 | \$0.89 | \$0.82 |
| Corkbark Fir - Apache | (Plug) | Styro 8 | | \$0.69 | \$0.64 |

Abies magnifica – Red Fir

Native to Sierra Nevada Mountains. Good Christmas tree.

Stately tree with short branches and perfect symmetry. Needles vary from green to silvery blue-green. Referred to as "Silver Tip Fir" in California markets

| | | | | | |
|--------------------------------|--------|----------|--------|--------|--------|
| Red Fir - 525-70 Yuba Pass, CA | (2-0) | 4-8" | \$1.36 | \$0.73 | \$0.68 |
| Red Fir - 525-70 Yuba Pass, CA | (Plug) | Styro 8 | | \$0.65 | \$0.60 |
| Red Fir - 525-70 Yuba Pass, CA | (Plug) | Styro 10 | | \$0.71 | \$0.66 |

Abies nordmanniana – Nordmann Fir

Native to Turkey and Russia/Georgia. Suitable for Christmas trees. Symmetrical habit, dark green flat needles.

| | | | | | |
|---------------------------------------|-------|------|--------|--------|--------|
| Nordmann Fir - Dramstrup Denmark S.O. | (3-0) | 4-8" | \$1.86 | \$1.00 | \$0.93 |
| Nordmann Fir - Knuthenborg S.O. | (3-0) | 4-8" | \$1.86 | \$1.00 | \$0.93 |

Abies procera – Noble Fir

Native to Oregon and Washington Cascades and Coast Ranges. The 'Cadillac' of Christmas trees. Good green color, occasionally bluish. Branch arrangement in even whorls.

| | | | | | |
|---|--------|----------|--------|--------|--------|
| Noble Fir - 053 OR Coast Range West | (2-0) | 6-12" | \$1.56 | \$0.84 | \$0.78 |
| Noble Fir - 053 OR Coast Range West | (Plug) | Styro 10 | | \$0.75 | \$0.69 |
| Noble Fir - 251 Oregon Coast Range East | (2-0) | 6-12" | \$1.36 | \$0.73 | \$0.68 |
| Noble Fir - 252 Mary's Peak | (2-0) | 6-12" | \$1.36 | \$0.73 | \$0.68 |
| Noble Fir - 440 Mt. Saint Helens | (2-0) | 6-12" | \$1.36 | \$0.73 | \$0.68 |

| Species – Common Name | Age | Size | 100 (Retail) | 200-800 | 1000+ |
|-----------------------|-----|------|--------------|---------|-------|
|-----------------------|-----|------|--------------|---------|-------|

Abies procera – Noble Fir- Elite

The seed originates from a collection taken from the Riley Peak/Fanno Ridge (R/F) area in the Oregon Coast Range known as the 053 seed zone. The 053 zone has been identified as the best seed collection area to produce the desirable characteristics for growing Noble Fir Christmas trees. Trees were numbered and growing traits were tested. Established orchards used the trees that showed the growing traits necessary to develop a Noble Fir that is uniform, lush green and matures into a beautiful Christmas tree.

| | | | | |
|--------------------------|--------|----------|--------|--------|
| Noble Fir - Elite O.R. | (Plug) | Styro 10 | \$0.75 | \$0.69 |
| Noble Fir - Elite R/F 1 | (Plug) | Styro 10 | \$0.75 | \$0.69 |
| Noble Fir - Elite R/F 1 | (Plug) | Styro 15 | \$0.84 | \$0.78 |
| Noble Fir - Elite R/F 10 | (Plug) | Styro 15 | \$0.84 | \$0.78 |
| Noble Fir - Elite R/F 15 | (Plug) | Styro 15 | \$0.84 | \$0.78 |

Abies procera – Noble Fir- Improved

BLM is faster and improved genetics.

| | | | | |
|-------------------------|--------|----------|--------|--------|
| Noble Fir - BLM 51-17-6 | (Plug) | Styro 15 | \$0.87 | \$0.81 |
|-------------------------|--------|----------|--------|--------|

Acer circinatum – Vine Maple

Grows natively in the Cascades of Oregon and Washington as well as lower elevations. Usually multi-stemmed. Small tree - grows to 25'. Good fall color

| | | | | |
|--------------------------------|-------------|-----|--------|--------|
| Vine Maple - Cascade Foothills | (1-0 Crate) | 6"+ | \$1.10 | \$1.05 |
|--------------------------------|-------------|-----|--------|--------|

Acer palmatum – Japanese Maple

Deciduous shrub or small tree. Leaves with 5–9 lobes; colors range from green to red, purple, bronze. Small reddish-purple blooms in spring. Understock for other palmatum cultivars.

| | | | | |
|-------------------------------|--------|----------|--------|--------|
| Japanese Maple - Small Seeded | (Plug) | Styro 10 | \$0.86 | \$0.82 |
|-------------------------------|--------|----------|--------|--------|

Calocedrus decurrens – Incense Cedar

Native to Southern Oregon and Northern California. Tall narrow tree. Good ornamental tree, suitable for border or barriers, also used as Christmas greens.

| | | | | |
|---------------------------------------|--------|----------|--------|--------|
| Incense Cedar - 262 Cascade Foothills | (Plug) | Styro 6s | \$0.66 | \$0.61 |
|---------------------------------------|--------|----------|--------|--------|

Cedrus deodara – Deodar Cedar - India

Understock for Cedar varieties. Also used as ornamental and live Christmas trees.

| | | | | | |
|----------------------|--------|----------|--------|--------|--------|
| Deodar Cedar - India | (1-0) | 3-6" | \$1.48 | \$0.80 | \$0.74 |
| Deodar Cedar - India | (Plug) | Styro 4s | | \$0.64 | \$0.59 |
| Deodar Cedar - India | (Plug) | Styro 6s | | \$0.66 | \$0.61 |

Fagus sylvatica – European Beech - Europe

Understock for Fagus varieties.

| | | | | | |
|-------------------------|-------------|---------|--|--------|--------|
| European Beech - Europe | (1-0 Crate) | 4-8" | | \$1.00 | \$0.93 |
| European Beech - Europe | (Plug) | Styro 8 | | \$1.05 | \$0.98 |

Ginkgo biloba – Maidenhair Tree

Deciduous shade tree with leathery leaves. Fall color is a nice yellow. Primarily used as an understock for other Ginkgo cultivars.

| | | | | | |
|----------------------------|-------------|------|--|--------|--------|
| Maidenhair Tree - Domestic | (1-0 Crate) | 3-6" | | \$1.10 | \$1.05 |
|----------------------------|-------------|------|--|--------|--------|

| Species – Common Name | Age | Size | 100 (Retail) | 200-800 | 1000+ |
|-----------------------|-----|------|--------------|---------|-------|
|-----------------------|-----|------|--------------|---------|-------|

Juniperus virginiana – Eastern Red Cedar

Commonly known as Eastern Red cedar, is a rugged and versatile native conifer. Mature needles are scale-like, blue-green to bronze in winter.

| | | | | | |
|-------------------|--------|----------|--|--------|--------|
| Eastern Red Cedar | (Plug) | Styro 4s | | \$0.67 | \$0.62 |
|-------------------|--------|----------|--|--------|--------|

Larix leptolepis – Japanese Larch

Deciduous conifer. Soft blue-green in the summer and brilliant yellow in fall. Good understock.

| | | | | | |
|------------------------|--------|----------|--|--------|--------|
| Japanese Larch - Japan | (Plug) | Styro 6s | | \$0.66 | \$0.61 |
|------------------------|--------|----------|--|--------|--------|

Mahonia aquifolium – Oregon Grape - WV, OR

Northwest native. Good green color with yellow flowers followed by blue-black edible berries.

| | | | | | |
|-----------------------|-------|------|--------|--------|--------|
| Oregon Grape - WV, OR | (1-0) | 2-4" | \$1.44 | \$0.78 | \$0.72 |
|-----------------------|-------|------|--------|--------|--------|

| | | | | | |
|-----------------------|-------------|------|--|--------|--------|
| Oregon Grape - WV, OR | (1-0 Crate) | 4-8" | | \$0.82 | \$0.74 |
|-----------------------|-------------|------|--|--------|--------|

Mahonia nervosa – Dwarf Oregon Grape - Puget Sound, WA

Northwest native. Low shrub with leathery leaves. Plants remain compact. Yellow flowers and edible berries.

| | | | | | |
|--------------------------------------|-------|------|--------|--------|--------|
| Dwarf Oregon Grape - Puget Sound, WA | (1-0) | 1-3" | \$1.48 | \$0.80 | \$0.74 |
|--------------------------------------|-------|------|--------|--------|--------|

| | | | | | |
|--------------------------------------|-------------|------|--|--------|--------|
| Dwarf Oregon Grape - Puget Sound, WA | (1-0 Crate) | 4-8" | | \$0.89 | \$0.82 |
|--------------------------------------|-------------|------|--|--------|--------|

Mahonia repens – Creeping Oregon Grape

Northwest native. Low shrub with leathery leaves. Plants remain compact. Yellow flowers and edible berries.

| | | | | | |
|--|-------|------|--------|--------|--------|
| Creeping Oregon Grape - Black Hills N.F., SD | (1-0) | 2-4" | \$1.48 | \$0.80 | \$0.74 |
|--|-------|------|--------|--------|--------|

| | | | | | |
|--|-------------|------|--|--------|--------|
| Creeping Oregon Grape - Black Hills N.F., SD | (1-0 Crate) | 4-8" | | \$0.89 | \$0.82 |
|--|-------------|------|--|--------|--------|

Metasequoia glyptostroboides – Dawn Redwood - China

A fast-growing, endangered deciduous conifer. Native to china. Primarily used as an understock for Metasequoia cultivars. Makes a nice plant when grown on its own.

| | | | | | |
|----------------------|--------|----------|--|--------|--------|
| Dawn Redwood - China | (Plug) | Styro 6s | | \$0.66 | \$0.61 |
|----------------------|--------|----------|--|--------|--------|

Picea abies – Norway Spruce

Native to Northern Europe. Suitable for Christmas trees. Vigorous root system. Excellent understock for all Spruce varieties.

| | | | | | |
|------------------------|-------|-------|--------|--------|--------|
| Norway Spruce - Europe | (2-0) | 5-12" | \$1.36 | \$0.73 | \$0.68 |
|------------------------|-------|-------|--------|--------|--------|

| | | | | | |
|------------------------|--------|----------|--|--------|--------|
| Norway Spruce - Europe | (Plug) | Styro 4s | | \$0.60 | \$0.56 |
|------------------------|--------|----------|--|--------|--------|

| | | | | | |
|------------------------|--------|----------|--|--------|--------|
| Norway Spruce - Europe | (Plug) | Styro 6s | | \$0.63 | \$0.58 |
|------------------------|--------|----------|--|--------|--------|

Picea glauca var. densata – Black Hills Spruce

Naturally symmetrical cone-shape with denser, more compact than the traditional white spruce. This makes it very resistant to winter. New bright green foliage matures to blue green.

| | | | | | |
|---------------------------------------|-------|-------|--------|--------|--------|
| Black Hills Spruce - Black Hills N.F. | (3-0) | 6-12" | \$1.44 | \$0.78 | \$0.72 |
|---------------------------------------|-------|-------|--------|--------|--------|

| | | | | | |
|---------------------------------------|--------|---------|--|--------|--------|
| Black Hills Spruce - Black Hills N.F. | (Plug) | Styro 8 | | \$0.65 | \$0.60 |
|---------------------------------------|--------|---------|--|--------|--------|

| Species – Common Name | Age | Size | 100 (Retail) | 200-800 | 1000+ |
|-----------------------|-----|------|--------------|---------|-------|
|-----------------------|-----|------|--------------|---------|-------|

Picea pungens – Colorado Spruce

Native to Southern Mountain states. Excellent specimen tree. Very hardy in hot or cold climates. They range from deep blue to green. Seed chosen from areas of predominantly blue color in high percentage of trees

| | | | | | |
|----------------------------|--------|---------|--------|--------|--------|
| Colorado Spruce - Apache | (2-0) | 4-8" | \$1.36 | \$0.73 | \$0.68 |
| Colorado Spruce - San Juan | (Plug) | Styro 8 | | \$0.69 | \$0.64 |

Pinus aristata – Bristlecone Pine

Native of Southwestern Mountains. Very slow growing specimen tree.

| | | | | | |
|--|--------|---------|--------|--------|--------|
| Bristlecone Pine - Carson N.F., New Mexico | (3-0) | 3-8" | \$1.44 | \$0.78 | \$0.72 |
| Bristlecone Pine - Carson N.F., New Mexico | (Plug) | Styro 8 | | \$0.65 | \$0.60 |

Pinus contorta var. murrayana – Lodgepole Pine

From Central Oregon. Used as a native for landscaping in drier locations. Suitable as an understock for two and three needle pines.

| | | | | | |
|-------------------------------|--------|----------|--------|--------|--------|
| Lodgepole Pine - Crescent, OR | (2-0) | 6-12" | \$1.36 | \$0.73 | \$0.68 |
| Lodgepole Pine - Crescent, OR | (Plug) | Styro 6s | | \$0.63 | \$0.58 |

Pinus contorta var. contorta – Shore Pine

From Northern Oregon coast. Suitable for sheared Christmas trees. Used as understock for two and three needle pines.

| | | | | | |
|-------------------------------|--------|----------|--------|--------|--------|
| Shore Pine - Lincoln City, OR | (2-0) | 8-12" | \$1.36 | \$0.73 | \$0.68 |
| Shore Pine - Lincoln City, OR | (Plug) | Styro 6s | | \$0.63 | \$0.58 |

Pinus jeffreyi – Jeffrey Pine

Pinus jeffreyi, also known as Jeffrey pine, Jeffrey's pine, yellow pine and black pine, is a North American pine tree. It is mainly found in California, but also in the westernmost part of Nevada, southwestern Oregon, and northern Baja California. It is named in honor of its botanist documenter John Jeffrey.

| | | | | | |
|--------------|--------|---------|--|--------|--------|
| Jeffrey Pine | (Plug) | Styro 8 | | \$0.69 | \$0.64 |
|--------------|--------|---------|--|--------|--------|

Pinus leucodermis – Bosnian Pine

Slow growing, dark green, similar in appearance to Austrian Pine. Very hardy.

| | | | | | |
|------------------------|--------|---------|--------|--------|--------|
| Bosnian Pine - Germany | (3-0) | 4-8" | \$1.64 | \$0.89 | \$0.82 |
| Bosnian Pine - Germany | (Plug) | Styro 8 | | \$0.69 | \$0.64 |

Pinus monticola – Western White Pine

Blister Rust Resistant

Grows well in the Western Cascades Idaho and Montana. Seed source from Whidbey Island Seed Orchard.

| | | | | | |
|-------------------------------------|--------|---------|--------|--------|--------|
| Western White Pine - BRR Seed Orch. | (3-0) | 5-10" | \$1.64 | \$0.89 | \$0.82 |
| Western White Pine - BRR Seed Orch. | (Plug) | Styro 8 | | \$0.69 | \$0.64 |

Pinus mugo var. pumilio – Dwarf Mugo Pine - Tyrolean Alps 7000'+

From lower slopes of Tyrolean Alps. Dwarf.

| | | | | | |
|--|--------|---------|--------|--------|--------|
| Dwarf Mugo Pine - Tyrolean Alps 7000'+ | (2-0) | 2-4" | \$1.36 | \$0.73 | \$0.68 |
| Dwarf Mugo Pine - Tyrolean Alps 7000'+ | (Plug) | Styro 8 | | \$0.65 | \$0.60 |

| <i>Species – Common Name</i> | <i>Age</i> | <i>Size</i> | <i>100 (Retail)</i> | <i>200-800</i> | <i>1000+</i> |
|------------------------------|------------|-------------|---------------------|----------------|--------------|
|------------------------------|------------|-------------|---------------------|----------------|--------------|

Pinus nigra – Austrian Pine - Slovakia

From Europe. Good specimen tree. Very hardy and most popular of upright pines.

| | | | | | |
|--------------------------|--------|---------|--------|--------|--------|
| Austrian Pine - Slovakia | (2-0) | 4-8" | \$1.36 | \$0.73 | \$0.68 |
| Austrian Pine - Slovakia | (Plug) | Styro 8 | | \$0.65 | \$0.60 |

Pinus ponderosa – Ponderosa Pine

Native to Eastern deserts of Oregon and Washington.

| | | | | | |
|----------------------------|--------|----------|--------|--------|--------|
| Ponderosa Pine - W. Valley | (2-0) | 8-16" | \$1.56 | \$0.84 | \$0.78 |
| Ponderosa Pine - W. Valley | (Plug) | Styro 10 | | \$0.75 | \$0.69 |
| Ponderosa Pine - 675 | (2-0) | 6-12" | \$1.36 | \$0.73 | \$0.68 |
| Ponderosa Pine - 675 | (Plug) | Styro 10 | | \$0.71 | \$0.66 |

Pinus strobiformis – Southwestern White Pine

Native to the Southwest. Good understock for five needle varieties.

| | | | | | |
|--|--------|----------|--|--------|--------|
| Southwestern White Pine - Lincoln N.F., New Mexico | (Plug) | Styro 6s | | \$0.66 | \$0.61 |
|--|--------|----------|--|--------|--------|

Pinus strobus – Eastern White Pine - Lake States

Native to North and Mid-East Coast states. Suitable for sheared Christmas trees. Number one preference for five needle understock.

| | | | | | |
|----------------------------------|--------|----------|--------|--------|--------|
| Eastern White Pine - Lake States | (3-0) | 6-12" | \$1.44 | \$0.78 | \$0.72 |
| Eastern White Pine - Lake States | (Plug) | Styro 6s | | \$0.63 | \$0.58 |

Pinus sylvestris – English Scotch Pine

Preferred understock for grafting for many pine species. Very cold hardy. The color fades in the winter to a yellowish green color.

| | | | | | |
|---|--------|----------|--------|--------|--------|
| English Scotch Pine - England/Scotland Border | (2-0) | 6-12" | \$1.36 | \$0.73 | \$0.68 |
| English Scotch Pine - England/Scotland Border | (Plug) | Styro 6s | | \$0.63 | \$0.58 |

Pinus sylvestris – Spanish Scotch Pine

Good for Christmas trees, methods of shearing and harvesting dictates personal choice. Good as an ornamental as well. Keeps good color though the winter.

| | | | | | |
|---|--------|---------|--|--------|--------|
| Spanish Scotch Pine - Guadarrama, Spain | (Plug) | Styro 8 | | \$0.65 | \$0.60 |
|---|--------|---------|--|--------|--------|

Pinus thunbergii – Japanese Black Pine

Native to Japan and South Korea. Can be used as an ornamental tree, pruned into Poodles or Pom Pom's or as an alternate understock for either Bonsai grafts or other pines.

| | | | | | |
|---------------------|--------|---------|--|--------|--------|
| Japanese Black Pine | (Plug) | Styro 8 | | \$0.69 | \$0.64 |
|---------------------|--------|---------|--|--------|--------|

Pseudotsuga menziesii – Douglas Fir

Number one tree for plantation Christmas trees. Also used for reforestation or establishing wood or timber lots. Several sources to choose from.

| | | | | | |
|--|-------|-------|--------|--------|--------|
| Douglas Fir - 041 Wahkiakum Co. WA Coastal | (2-0) | 8-16" | \$1.36 | \$0.73 | \$0.68 |
| Douglas Fir - 062 Florence, OR | (2-0) | 8-16" | \$1.36 | \$0.73 | \$0.68 |
| Douglas Fir - 251 OR Coast Range East | (2-0) | 8-16" | \$1.36 | \$0.73 | \$0.68 |

| <i>Species – Common Name</i> | <i>Age</i> | <i>Size</i> | <i>100 (Retail)</i> | <i>200-800</i> | <i>1000+</i> |
|--|------------|-------------|---------------------|----------------|--------------|
| Douglas Fir - 251 OR Coast Range East | (Plug) | Styro 10 | | \$0.71 | \$0.66 |
| Douglas Fir - 262 Cascade Foothills Eugene, OR | (2-0) | 8-16" | \$1.36 | \$0.73 | \$0.68 |

Pseudotsuga menziesii – Douglas Fir - Improved Christmas Tree

Improved genetics for Christmas Tree plantations. Better growth, color and resistance to fungus and pests.

| | | | | | |
|-------------------------------|--------|----------|--|--------|--------|
| Douglas Fir - PNWCTA O.R. | (Plug) | Styro 15 | | \$0.87 | \$0.81 |
| Douglas Fir - Van. Island, BC | (Plug) | Styro 15 | | \$0.84 | \$0.78 |

Pseudotsuga menziesii – Douglas Fir - Improved Timber

Timber genetics of Douglas Fir for planting in the Willamette Valley, from the Coast Range to the Cascade Range, below 2500 feet. Orchard collected seed. Improved genetics.

| | | | | | |
|------------------------------|--------|----------|--------|--------|--------|
| Douglas Fir - W.V. High-Gain | (Plug) | Styro 10 | | \$0.78 | \$0.72 |
| Douglas Fir - W.V. Mid-Gain | (2-0) | 8-16" | \$1.56 | \$0.84 | \$0.78 |
| Douglas Fir - W.V. Mid-Gain | (Plug) | Styro 10 | | \$0.75 | \$0.69 |

Pseudotsuga menziesii var. glauca – Douglas Fir - Rocky Mts. - Cold Hardy

Douglas Fir from the Rocky Mountains have a bluer color, and are more cold hardy than the Douglas Fir from the Pacific Northwest. Used as an understock for grafted varieties, an ornamental, or as Christmas Trees.

| | | | | | |
|---------------------------------------|--------|---------|--|--------|--------|
| Douglas Fir - Lincoln N.F. Cold/Hardy | (Plug) | Styro 8 | | \$0.69 | \$0.64 |
|---------------------------------------|--------|---------|--|--------|--------|

Sequoia sempervirens – Coast Redwood

Commonly known as the Coastal Redwood. Grows in a narrow coastal belt from southwestern Oregon to central California. Thrives in moist, foggy climates with rich, well-drained soils. Flat, needle-like, bright green above with two white bands beneath. Very fast growing. Avoid areas with extreme cold weather.

| | | | | | |
|-----------------|--------|----------|--|--------|--------|
| Coastal Redwood | (Plug) | Styro 15 | | \$0.96 | \$0.92 |
|-----------------|--------|----------|--|--------|--------|

Sequoiadendron giganteum – Giant Sequoia

Native to Sierra Nevadas. Very fast growing. Suitable for U-Cut tree operations. Good fast wind break, but needs room to spread.

| | | | | | |
|---------------|--------|----------|--|--------|--------|
| Giant Sequoia | (Plug) | Styro 10 | | \$0.75 | \$0.69 |
|---------------|--------|----------|--|--------|--------|

Taxodium distichum – Bald Cypress

Conifer that grows in very wet soils. Native to the Southeastern and Gulf Coastal. Primarily used as an understock for Taxodium cultivars.

| | | | | | |
|--------------|-------------|--------|--|--------|--------|
| Bald Cypress | (1-0 Crate) | 12-18" | | \$0.89 | \$0.82 |
|--------------|-------------|--------|--|--------|--------|

Thuja occidentalis – American Arborvitae

Used for grafting understock for Hinoki, or other similar varieties, or in landscapes.

| | | | | | |
|---------------------|--------|----------|--|--------|--------|
| American Arborvitae | (Plug) | Styro 4s | | \$0.64 | \$0.59 |
|---------------------|--------|----------|--|--------|--------|

Thuja orientalis – Oriental Arborvitae

Used as understock for chamaecyparis and arborvitae varieties.

| | | | | | |
|---------------------|--------|----------|--------|--------|--------|
| Oriental Arborvitae | (2-0) | 4-8" | \$1.56 | \$0.84 | \$0.78 |
| Oriental Arborvitae | (Plug) | Styro 6s | | \$0.66 | \$0.61 |

| <i>Species – Common Name</i> | <i>Age</i> | <i>Size</i> | <i>100 (Retail)</i> | <i>200-800</i> | <i>1000+</i> |
|------------------------------|------------|-------------|---------------------|----------------|--------------|
|------------------------------|------------|-------------|---------------------|----------------|--------------|

Thuja plicata – Western Red Cedar

Native to the Northwest. Can grow in moderately wet areas and is an accepted alternative to plant in Douglas Fir disease areas.

| | | | | | |
|--------------------------|---------------|-----------------|--|---------------|---------------|
| Western Red Cedar | (Plug) | Styro 10 | | \$0.75 | \$0.69 |
|--------------------------|---------------|-----------------|--|---------------|---------------|

Tsuga mertensiana – Mountain Hemlock

Northwest native. High elevation. Quite slow grower with very dense, dark green to blue-green color.

| | | | | | |
|-------------------------|--------------|-------------|---------------|---------------|---------------|
| Mountain Hemlock | (3-0) | 2-4" | \$1.86 | \$1.00 | \$0.93 |
|-------------------------|--------------|-------------|---------------|---------------|---------------|

| | | | | | |
|-------------------------|---------------|-----------------|--|---------------|---------------|
| Mountain Hemlock | (Plug) | Styro 6s | | \$0.69 | \$0.64 |
|-------------------------|---------------|-----------------|--|---------------|---------------|

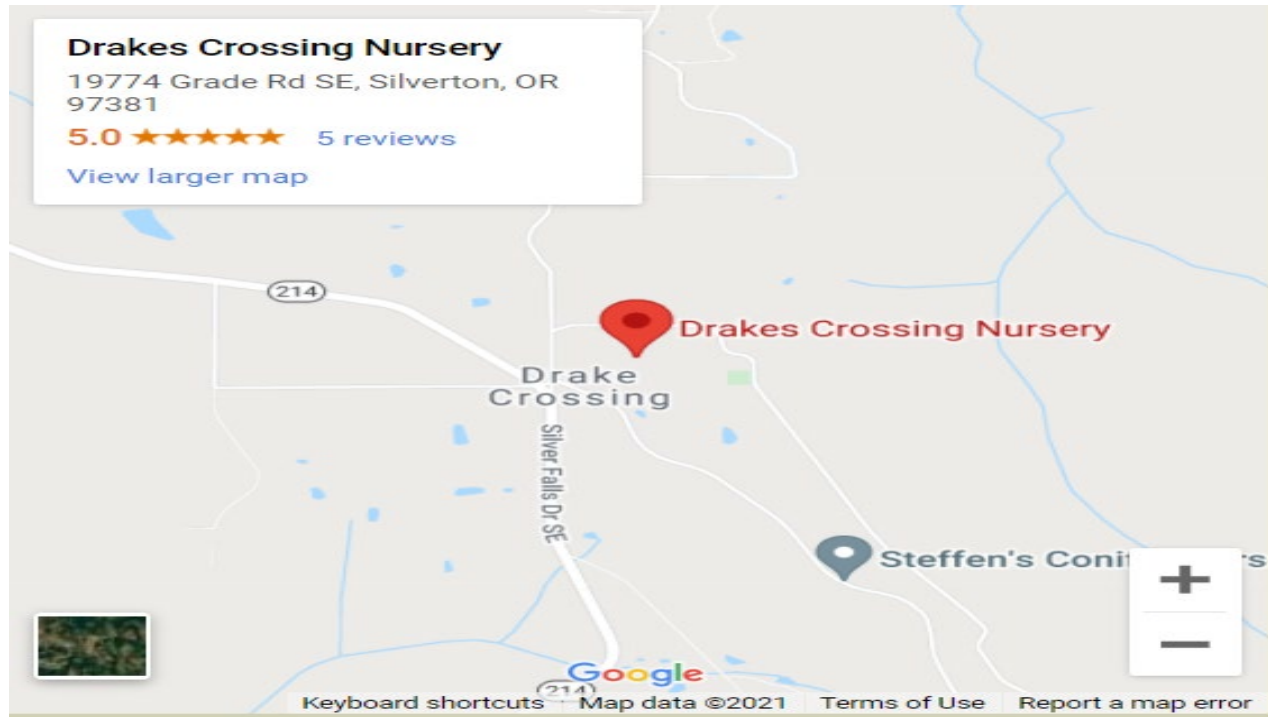

DIRECTIONS

FROM SOUTH - Off I-5 at Highway 22 exit - East to Highway 214 - follow through Silver Falls Park to Highway mile marker #31. Go beyond #31 - 200 feet to curve - go straight to nursery on right.

FROM NORTH - Exit I-205 at Park Place exit. Go South on 213 to Silverton. Continue onto Highway 214, 10 miles - turn left 1/2 mile past the Chapel.

Exit I-5 at Woodburn onto Highway 214 - continue on 214 through Woodburn, Mt. Angel, Silverton. Continue 10 miles - turn left 1/2 mile past the Chapel. Silver Falls Tour Route.

Please do not use the address on cover for GPS purposes. Use: 500 Silver Falls Dr. SE, Silverton, OR 97381, as this seems to direct more efficiently on GPS systems.

TERMS

SHORTAGES OF ACKNOWLEDGED NURSERY STOCK In the event of destruction or injury of ordered nursery stock (here in after referred to as Stock) due to fire, weather condition or error in field inventory, Seller retains the right to prorate all or a portion of Seller's Stock between existing orders at Seller's discretion.

RIGHT OF INSPECTION Buyer shall have the right to inspect the goods before paying for or accepting them.

RISK OF LOSS Risk of loss shall pass to the Buyer upon receipt of the Stock to Buyer or Buyer's carrier (i.e. FedEx) at Seller's address.

DISCLAIMER OF WARRANTIES Seller warrants that the Stock is as described herein or in Seller's catalog, but NO OTHER WARRANTY, EXPRESS OR IMPLIED INCLUDING ANY WARRANTY OF MERCHANT-ABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE IS MADE IN RESPECT TO THE STOCK. If any sample is shown to buyer, such sample was used merely to illustrate the general type of stock.

STOCK AS COLLATERAL Buyer hereby grants to Seller a security interest in the stock described herein to secure payments.

REMEDIES Buyer and Seller shall have all remedies afforded each by the Uniform Commercial Code.

CLAIMS Claims must be filed within seven (7) days after receipt of shipment or shipment will be deemed satisfactory. Buyer agrees to file claims against the carrier for any stock damaged in transit. In other instances, Seller shall not be responsible for more than the purchased price of stock.

Time for Bringing Action Any action for breach of this contract must be commenced within one (1) year after the cause of action has occurred.

APPLICABLE LAW This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used, it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Oregon as effective and in force on the date of the acceptance of these conditions.

CONFLICTING TERMS Seller is not bound by any terms on Buyer's order blanks which attempt to impose any conditions at variance with Seller's terms and conditions of sale which are included herein or stated on Seller's packages, invoices and technical data sheets. Seller's failure to object to provisions contained in the aforementioned forms shall not be deemed a waiver of the provisions of the Seller's terms and conditions which shall constitute the entire contract between the parties.

ORDERING, PACKING AND SHIPPING INFORMATION:

ORDERING INFORMATION

A 25% deposit and signed confirmation are required to secure all orders. Orders placed but not secured with a 25% deposit and signed confirmation, within 30 days of receipt, will automatically be cancelled and inventory will be released to other customers on a waiting list. Remaining balance due at time of pickup/shipment unless terms have been established. Accounts not paid within 30 days of the invoice date will be charged 2% monthly. **All credit card charges over \$1,000.00 will be charged a 4% fee.**

CUSTOM GROWN LOTS

Custom grown lots are subject to a contract agreement. Terms, payment, and conditions will be discussed prior to sowing any seed.

CONFIRMATION COMMITMENT

A customer's signature on a confirmation implies that the customer agrees with the order as stated and the terms listed on the confirmation. The deposit covers the costs associated with Order prep, Digging, Sorting, Bagging and Storing seedlings. If a cancellation is made after January 1st the deposit will be kept in order to cover the cost of the harvest process.

(BAREROOT) DIGGING DATES/ BAGGING

DIGGING IS WEATHER DEPENDENT. WE ONLY DIG SEEDLINGS WHEN THE CONDITIONS ARE FAVORABLE TO SEEDLING HEALTH. SNOW OR TOO MUCH RAIN WILL HALT THE DIGGING PROCESS.

(BAREROOT) ORDER PICKUP/SHIPMENT

Since bare roots are weather dependent, please call one week prior to your intended order pickup/shipment date. This will insure we have product available in cold storage ready for pickup or shipment. ****Please remember that you must call us. We do not call customers when we have product ready. Shipments will not be shipped without verbal confirmation of the preferred shipment date.**** *Pick up dates on confirmations are not guaranteed and are subject to weather conditions.*

(PLUG) EXTRACTING AND ORDER PICKUP/SHIPMENT

Once plugs are ready to be extracted from the greenhouse, we are open to arranging shipments and or pickups. ****Please remember that you must call us. We do not call customers when we have product ready. Shipments will not be shipped without verbal confirmation of the preferred shipment date.****

PACKING

Orders are packed for pickup f.o.b. our nursery. Orders to be shipped will be charged \$10.00 per package plus shipping charges. Orders shipped by pallet will be charged \$100.00 per pallet plus shipping charges.

STORAGE

We have cold storage facilities. Orders will be packed and placed in cold storage. Towards the end of the shipping season, you will be notified of cooler shut off dates.

SHIPPING REGULATIONS

We follow all requirements and regulations set by the state of Oregon. Any other requirements or regulations within your specific state are the responsibility of the buyer to notify us prior to shipment.
